Foreword

"The halls of fame are open wide
And they are always full;
Some go in by the door called 'Push,'
And some by the door called 'Pull'."

—STANLEY BALDWIN

We, as seniors, have come to many thresholds, or firsts, in our lives. One of the most significant experiences was our entrance into the doors of W.C.H.S. These four years of school have presented many obstacles, but by "pushing" or "pulling" we have managed to reach another threshold. The time has come for us to step over into adult responsibility.

The theme of this year's Wecomi is based on the door; not only the door to the future, but the doors through which we, the class of 1959, have already passed.

With our hearts reaching back, and our eyes gazing forward, we walk ahead through the last door into God's world.

We wish to express our deepest gratitude to Mr. Griffith, our patient advisor—to the editors, the backbone of the Wecomi—to the staff, without whose aid the editors could not have done their job—and to the teachers, who bore quietly our running in and out of classes and advisory.

Dedication

MRS. SHIRLEY LANGE

The staff of the 1959 Wecomi are pleased to dedicate this issue of our annual to Mrs. Lange, who has so devotedly served our class as social advisor.

With kindness and understanding she has not only made our days more pleasant, but has endeared herself to all of us.

FRESHMAN AND SOPHOMORE FOOTBALL

This year's sophomore team came through with a successful season on their way to next year's big jump into varsity football. Showing a balanced attack they ran through their opponents and ended up the year with only two losses. Leading the team were future varsity players, Brian Grant, Ken Schreiner, Jim Nelson, Doug Patterson, Jon Potteiger and Jim Sisson.

FROSH FOOTBALL

This year one of the new coaches to arrive at Wheaton was Mr. Richard Helm. Coach Helm along with Coach Loveless took the incoming freshmen and started working with the boys on their climb to Varsity ball. Fundamentals were taught and soon the boys started to experience what it really felt like to crack somebody.

Activities

WCHS Conference

“Student Government Depends on Its Leaders . . .”

Our Student Conference, working with Mr. John Schaffnit, is the main group around which the class councils revolve. This year has seen: the start of the interstate exchange student program, the initiation of the No-Acs Safety Plan, the Conference Work Shop, and the three Conference-sponsored dances. The question was raised this year: "How can we have more student body interest and participation in government?" The answer was newly formed committees with non-conference, non-council members. These are just a few of the countless activities that keep W.C.H.S. a top-ranking school.

Choir

Under the Direction of Mr. Roland Gansman

"Music Is the Universal Language of Mankind" . . .

The door to music offers a release from the ever-present and pressing complexities of daily living; it is a passage into one's own world of peaceful imagination. One of the highest forms of expression, music incorporates all the emotions into a universal language which speaks with intangible force and beauty.

Exchange Student

This year's exchange student, Fujiko Hayashi, came to us from Tokyo, Japan. Fuji will have many memories of Wheaton when she returns home this summer: her American family, the Wheatons . . . her first picnic . . . football games . . . exams . . . learning to jitterbug and to cheer at games . . . Yes, Fuji will have many memories; Wheaton will have many wonderful memories also. People like Fuji give the American Field Service the splendid reputation it has. Friendly, laughing teenagers from other lands, teaching us and learning from us, are living examples of the A.F.S. motto:

"Walk together, talk together,
all ye peoples of the earth.
Only then shall there be peace."
